I am a customer of Duke Energy

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Duke Energy request for a 17% rate increase is absolutely terrible. I am a retired person living on SS and a former employer pension. Neither of these pensions have increased in over 3 years and to pay an additional electric bill every month, something else will have to suffer in order to pay this increase. The way I figure this my electric bill every month will increase by approximately \$21.00 which will have to come from another part of my budget. Please do not allow this increase to go into effect. North Carolina did not allow this increase.

Thank you

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
